

Contents

1. Introduction

ELPAT, the European Platform on Ethical, Legal and Psychosocial Aspects on Organ Transplantation <i>W. Weimar, M. A. Bos, J. J. Busschbach</i>	15
Organ Transplantation – The European Perspective <i>M. A. Bos</i>	17
Transplant Tourism and Organ Trafficking, an American Perspective <i>F. L. Delmonico</i>	29
Organ Transplantation: A Developing Country Perspective <i>L. D. de Castro</i>	32

2. Commercialization and Trafficking

Workshop I „Commercialization and Trafficking“: Recommendations	41
A Regulated Organ Market? <i>F. de Charro, M. Oppe, M. Bos, J. Busschbach, W. Weimar</i>	43
Who Cares? Impact of Commercialized Kidney Transplantation on the Doctor-Patient Relationship <i>G. M. Danovitch</i>	49
In Defense of a Regulated System of Compensation for Kidney Donation <i>A. J. Matas</i>	55
A Latvian Case: The Removal of Tissue from 400 Deceased Persons <i>S. Olsena</i>	64
Commercial Renal Transplantation in Iran: The Recipients' Perspective <i>J. Zargooshi</i>	72
Iran's Commercial Renal Transplantation Program: Results and Complications <i>J. Zargooshi</i>	80

3. Legal Systems for Organ Donation and Allocation

Workshop 2 „Legal Systems for ORgan Donation and Allocation“: Recommendations	95
Equitable Access to Organs <i>A. J. Cronin</i>	99
Does Justice Allow Living Donor List Exchange? A Recent Report from the Health Council of the Netherlands <i>W. Dondorp</i>	111
Allocation of Kidneys for Transplantation: Practical Aspects and Ethical Dilemmas <i>G. C. Oniscu, J. L. R. Forsythe</i>	117
„Living Apart Together“ Do the Two Co-existing Systems – Cadaveric and Living Donation – Live in Harmony? <i>M. T. Hilhorst</i>	132
Whose Organs are they, Anyway? <i>H. Kreis</i>	140
Consent for Donation in The Netherlands: Relation between Registration and Relatives' Consent <i>H. A. van Leiden, N. E. Jansen, B. J. J. M. Haase-Kromwijk, M. B. A. Heemskerk, C. R. Smand, E. de Buijzer, A. J. Hoitsma</i>	144
Healthcare Professionals' Experiences in Applying Presumed Consent Legislation in Organ Donation in Three European Countries: A Phenomenological Study <i>B. L. Neades</i>	150
Is Presumed Consent Legislation just Black Letter Law? Methodological and Theoretical Lessons from the French Case <i>G. Nowenstein</i>	155
Legal Systems for Organ Distribution in Europe: Justice in Allocation <i>D. P. T. Price</i>	163
Will Xenotransplantation Enhance Equity? Some Points to Consider Regarding Health Care Costs <i>A. Ravelingien</i>	175
The Ethics of Kidney Paired Exchanges and Thematic Variations <i>L. F. Ross</i>	183

4. Altruism, Counselling and Psychological Aspects of Living Donation

Workshop 3 „Altruism, Counselling and Psychological Aspects of Living Donation“: Recommendations	193
Blood and Bone Marrow Donation: Similarities and Differences in a Psychological Context <i>T. Brkljacic, L. Kaliterna-Lipovcan, R. Franc</i>	199
Psychosocial Evaluation of Living Unrelated Kidney Donors in the United States: Summary of Guidelines from a Consensus Conference <i>M. A. Dew, C. L. Jacobs, S. G. Jowsey, R. Hanto, C. Miller, F. L. Delmonico</i>	208
Psychological Profile of Living Liver Donors and Post-Donation Outcomes <i>A. DiMartini, K. Porterfield, M. G. Fitzgerald, M. A. Dew, G. E. Switzer, A. Marcos, K. Tom</i>	216
When are Living Donations Voluntary enough? <i>G. den Hartogh</i>	221
Is the Non-directed Donation the Ideal Living Organ Donation? <i>J. Hoyer</i>	232
Justification for Anonymity in a Kidney Exchange Program <i>M. de Klerk, W. C. Zuidema, L. W. Kranenburg, J. N. M. IJzermans, W. Weimar</i>	236
How to Inform Potential Donors about Living Kidney Donation? <i>L. Kranenburg, W. Zuidema, W. Weimar, M. Hilhorst, J. IJzermans, J. Passchier, J. Busschbach</i>	241
Psychosocial Assessment of Candidates for Transplantation Ratings in 1500 Adult Liver Transplant Candidates <i>M. E. Olbrisch, S. M. Rausch, J. L. Levenson</i>	248
Characteristics of Persons Seeking to Become Adult-to-Adult Living Liver Donors: A Single U.S. Center Experience with 150 Donor Candidates <i>M. E. Olbrisch, S. M. Benedict, K. L. Cropsey, A. Ashworth, R. A. Fisher</i>	261
Living Donors – How Far can we Proceed? A Brief Report on a Swedish Interview Study <i>M. Omnell Persson, L. Broström, N. H. Persson, G. Hermerén</i>	270
My Mommy's Kidneys are Sick and She is Dying! Why Internet Solicitation for Transplantation is Unethical <i>J. W. Saloma</i>	275

Recruiting a Living Kidney donor: Experiences of Living Donors and Recipients of Living and Necro Kidneys <i>M. A. Sanner</i>	282
Of Altruists and Egoists: Living Anonymous Donors <i>D. S. Silva, L. Wright</i>	291
Mothers' Experiences of Umbilical Cord Blood Donation <i>G. E. Switzer, M. A. Dew, L. Myaskovsky, M. Crowley-Matoka, D. J. Harrington, A. F. DiMartini</i>	298
Living Kidney Donation by Goods Samaritans <i>W. Zuidema, L. W. Kranenburg, R. A. M. Erdman, M. de Klerk, M. T. Hilhorst, J. N. M. IJzermans, W. Weimar</i>	306
 5. Minorities, Religion and Gender Aspects	
Workshop 4 „Minorities, Religion and Gender Aspects“: Recommendations	313
Islamic Views and Perspectives on Organ Donation and Transplantation <i>G. M. Abouna</i>	317
Living Kidney Donors: Are Women Motivated by Love and Men by Logic? <i>M. Achille, I. Vaillancourt, G. Beaulieu-Pelletier</i>	321
Religious Aspects of Organ Transplantation <i>P. Bruzzone</i>	327
Comparison of Access to Kidney Transplantation in France and Graft Survival between Non-French Patients and French Patients Living in Overseas Territories or on the Mainland <i>C. Cantrelle, E. Luciolli, B. Loty, P. Tuppin</i>	333
Factors Affecting Willingness to Donate and Donor Registration: An Intercultural Comparison <i>S. van Embden, M. A. G. Sprangers, H. C. J. M. de Haes</i>	342
Cross-Cultural Study of Transplant Physicians' Views on Living Altruistic Donation <i>M.-C. Fortin, M. Dion-Labrie, H. Doucet</i>	352
Religious Convictions and Consequences for Transplantation Waiting Lists <i>E. Maeckelberghe, M. Verkerk</i>	361
Cultural Factors Related to Race Differences in Preference for Living Donor Kidney Transplantation <i>L. Myaskovsky, G. E. Switzer, M. K. Mor, M. Ramkumar, R. Shapiro, M. A. Dew</i>	366

Is Solid Organ Donation by Living Donors Ethical? The Case of Kidney Donation <i>M. Potts, D. W. Evans</i>	377
Transplants and the Problems of Justice to Groups <i>J. Radcliffe Richards</i>	382
Organ Donation and Transplantation – The Realities for Minority Ethnic Groups in the UK <i>G. Randhawa</i>	392
Transplantation and Medicine Ethics in Turkey <i>S. Sevimli</i>	407
A Review of Ethical Issues in the Transplantation of HIV-infected Patients <i>K. Ross, D. Pape, L. Wright</i>	416

6. Post-Mortem Donation

Workshop 5 „Post-Mortem Donor“: Recommendations	425
The Ghost between us. Maintaining the Secret about Donor Identity; Moral Obligations entwined in this Rule <i>M.-J. Clermont</i>	428
NHB Donation: How bad is it really? <i>A. J. Hoitsma</i>	435
Health Care Professionals – What do they know about Organ Donation? <i>T. Pont, N. Masnou, R. M. Gràcia, M. Barreto, E. Duque, J. Portillo, N. Vila, P. Salamero, R. Deulofeu</i>	439
Research into the Donation Willingness in Pediatrics in The Netherlands – A Desirable Question or a Questionable Desire? <i>M. Siebelink, H. B. M. Van de Wiel, P. F. Roodbol, M. J. I. J. Albers</i>	447
Family Refusal Causes Discrepancy between Potential and Utilized Donors: A Prospective Study in 6 Hospitals in the Region of Rotterdam <i>M. H. Sieber-Rasch, J. A. M. Hagenaaars, W. K. Redekop, H. A. van Leiden, B. J. J. M. Haase, J. N. M. IJzermans</i>	452
Me or Mine? On Property from Personhood, Symbolic Existence and Motivation to Donate Organs <i>D. Sperling</i>	463
Why Bereaved Relatives Decline Organ and Tissue Donation <i>M. Sque, T. Long, S. Payne</i>	471

7. Role of Patients, Media and the Pharmaceutical Industry

Workshop 6 „Role of Patients, Media and Pharmaceutical Industry“: Recommendations	485
Spontaneous Discourse on Employment Status and Professional Identity of Patients Waiting for Solid Organ Transplantation <i>F. Fonjallaz, F. Fasseur, N. Ruffiner-Boner, T. Cuttled, J. Szymanski, M. Santiago, N. Pilon, J.-P. Venetz, M. Pascual, C. Piot-Ziegler</i>	488
Liver Transplant Experience: Development of a Health Related Quality of Life Specific Module (FACT-LT) <i>L. Gangeri, C. Brunelli, M. Bosisio, M. Tamburini, S. Ermenenco, V. Mazzaferro</i>	496
Improving Quality of Life by Treating Corticosteroid-Induced Psychological Disturbances in Transplant Recipients <i>V. A. Torres-Collazo, M. S. Guchereau</i>	502
The Family as Patient and Caregiver: Adjustment of the Ethical Agenda about Parental Organ-Donation <i>M. Knibbe, E. Maeckelberghe, M. Verkerk</i>	509
Emerging Science, Emerging Ethical Issues: Who should Fund Innate Alloimmunity-Suppressing Drugs? <i>W. G. Land, T. Gutmann, A. S. Daar</i>	516
Teens and Transplants – Teaching Project about Donation in Barcelona <i>N. Masnou, T. Pont, P. Salamero, E. Duque, M. Barreto, X. Millan, J. Portillo, J. Sendra, N. Vilà</i>	529
Initiating a European Platform on Organ Transplantation Face Transplantation: Hearing the Patients’ Voice <i>J. Partridge</i>	533
Spontaneous Discourse on Live and Deceased Organ Donation in Renal Patients after Registration on Deceased Donation Waiting List <i>J. L. Szymanski, L. Pralong, N. Ruffiner-Boner, F. Fasseur, J. Maillefer, M. Santiago, C. Piot-Ziegler</i>	541
The „Psycho-Nomad“: Translator, Mediator and a Lead for Patients Awaiting Transplantation <i>C. Piot-Ziegler, N. Ruffiner-Boner, F. Fasseur</i>	548
Ethical and Regulatory Aspects of Xenotransplantation in Mexico <i>D. Terán-Escandón, L. Á. Terán-Ortíz, R. Valdés-González-Salas, M. Gutiérrez-Cadena</i>	556

Immunosuppressive Drugs and Young Adults: A Difficult Combination <i>M. Tielen, S. Jedeloo, A. L. van Staa, W. Weimar</i>	563
Addresses of Authors	570
Index of Authors	581
